

DFL Week of Service
(August 8th to 13th)

About the Week of Service

During his inaugural address in January Governor Dayton asked all Minnesotans to dedicate a small portion of their time to volunteer work in their local communities. As part of our response to that call, the DFL has launched a new initiative, the *DFL Week of Service*, that we hope will become an annual activity for the DFL to celebrate our values. As part of the *Week of Service* the DFL will be sponsoring events in every congressional district at various points during the week with the intent of engaging our members, volunteers, and activists in community service around the state.

As part of the *Week of Service* festivities in CD 5, the DFL is excited to partner with People Serving People! Located in downtown Minneapolis, People Serving People is a long standing community organization that provides emergency housing and a number of community services for homeless families and children in Hennepin County. As part of the volunteer program we will be undertaking painting projects, assist in the house keeping tasks in the residential quarters, and participate in the children's activities in the People Serving People preschool and nursery. In order to make this event a success we will need a large number of volunteers to come out and take part so please, commit to volunteering if you can, and help spread the word!

Friday, August 12th
1pm – 4pm

Requirements for volunteering on this project;

- All volunteers must be 13 years of age or older
- Commit to volunteering for the full afternoon.
- All physical and vocational abilities welcome!

It's important that we know ahead of time how many volunteers will be participating and spots are limited so **PLEASE RSVP** with Spencer McGinnis at smcginnis@df.org or 651-251-6337.
